Important Advisory: Submission of Applications Within 3 Months of Payment

Applicants are advised that all consular service applications (including Visa, Passport, OCI, Attestation, and other consular services) must be submitted at the Embassy within **3 months from the date of payment** of the applicable fee.

Failure to submit the application within the prescribed 3-month period shall result in:

- Automatic forfeiture of the fee paid;
- Closure of the payment reference;
- Requirement of fresh payment for processing of the application.

Applicants are therefore requested to ensure that:

- Payments are made only when all required documents are ready;
- Applications are submitted promptly after payment;
- Payment receipts and supporting documents are preserved for future reference.

Before making any payment, please refer to the Embassy's fee structure for the required service. Ensure that payments are made strictly as per the specified amounts for consular services and deposited into the respective bank accounts. In case of any doubt or clarification regarding payment or submission timelines, applicants are advised to contact the Embassy before proceeding with the payment at visa.mexico@mea.gov.in, cons1.mexico@mea.gov.in and cons.mexico@mea.gov.in.

The decision of the Embassy in all such matters shall be final and binding.
